Sterile Eye Wash Solution

Issue 1 / CP / May 2005

7. Handling and Storage

Handling:
Storage:

No special handling conditions
Store between 5 and 25 degrees centigrade

8. Exposure Controls / Personal Protection

Occupational exposure standard:
Respiratory protection:
Hand protection:

Not applicable
Not applicable
Not applicable

9. Physical and Chemical Properties

Appearance:
Odour:
Flash point:
Specific gravity:
Solubility in water:
Percentage volatile by volume:

A clear liquid packaged in a plastic bottle
None
Nil
1.0
Solution is miscible in water
Nil

10. Stability and Reactivity

Stability and Reactivity:

Stable at room temperature
Avoid heat
Avoid contact with strong oxidizing agents
Hazardous decomposition products – carbon monoxide
Hazardous polymerization – will not occur

11. Toxicological Information

Laboratory data:

Not applicable

12. Ecological Information

Assessment:

No environmental issues expected

13. Disposal Considerations

Disposal:

Dispose of contents once opened
DO NOT REUSE

14. Transport Information

Transportation:

Not applicable
