
Bosch 18v Li-ion CoolPack Battery 2.0Ah

Product Images

Product Code: P09-2349

Short Description

With Lithium-ion technology this CoolPack battery has no self-discharge and no memory effect. With Bosch's flexible power system this battery is compatible for use with all Bosch 18v machines.

FEATURES

- A further 20% increase in runtime (compared to 5.0 Ah battery) at the same size
- CoolPack technology for up to 100% longer lifetime (cf. battery without CoolPack)
- Bosch flexible power system – battery suitable for all tools in one voltage class
- Extremely robust: fully functional even after a 3-m drop onto concrete
- Battery with practical charge level indicator

SPECIFICATION

- Battery voltage - 18V
- Battery capacity - 2.0 Ah
- Cell type - Lithium-ion
- Weight - 350g

Bosch part no. 1600Z00036
