

Bosch GDE 18V-26 D Professional Cordless Dust Extractor

Product Images

Product Code: P09-2384

Short Description

Mobile freedom - Dustless mobile work for convenient and clean drilling

Compatible for use with popular corded and cordless Bosch Professional rotary hammers, such as GBH 2-26/28 (F/L) and GBH 18V-26 D

High flexibility - 4 interchangeable dust eyes for bits up to 26 mm in diameter and an extension for bits up to 265 mm in length

The independently functional 18 V GDE 18V-26 D dust extractor enables dustless mobile work for convenient and clean results in a variety of drilling applications. It can be retrofitted for use with many popular corded and cordless heavy-duty Bosch Professional rotary hammers and includes four interchangeable dust eyes for fixed or quick-change chucks and drill bits up to 26 mm in diameter, as
