

Bosch GO Professional Cordless Screwdriver

Product Images

Product Code: P09-2524

Short Description

The Bosch GO Cordless Screwdriver is intuitive and easy-to-use, enabling great working results in a variety of applications. Meet the unique needs of every situation by simply pushing the machine forward or pressing the 'on' button to begin thanks to the tool's handy dual-activation mode. Use the mechanical clutch to select the right amount of torque for each job with five torque settings or 'maximum performance mode'. Due to an electronic brake, this easy-to-control tool stops immediately after deactivation.

Bosch GO is intended for screwdriving in wood, metal and plastic as well as working on filigree applications such as motherboards or electrical cabinets. It is compatible with all standard USB chargers.

The Bosch GO Cordless Screwdriver also features an easy-to-grip design for perfect handling when working in multiple positions. It has a fast and smooth operation, reaching speeds of up to 360 rpm for a consistently powerful performance.

Technical data

Torque (soft/hard/max.) 2.5/5/- Nm

No-load speed (1st gear / 2nd gear) – 360 rpm

Battery type Lithium-ion

Chuck capacity, min./max. 6.35 mm

Battery voltage 3.6 V

Drill chuck, version 1/4" with internal hexagon shank

Battery capacity 1.5 Ah

Weight incl. battery 0.31 kg

Max. screw diameter 5 mm

Supplied with 25-piece screwdriver bit set, 1 x screwdriver bit PH2, USB adapter, Micro USB cable, L-BOXX Mini
