

CF-200 Ferret Pro Multipurpose Wireless Inspection Camera & Cable Pulling Tool

Product Images

Product Code: S00-3167

Short Description

The Ferret Pro is a professional and durable inspection camera. Based on the **award-winning** electronic design of the original Ferret, the Ferret Pro is:

- Ideal for any data engineer or electrician
- Engineered with new technology to bring you an App controlled variable focus lens, super-fast charge, Ferret always up viewing mode, and a right angle adaptor
- Perfect for pulling in cabling inside enclosed spaces
- The most reliable and durable tools with the latest smart technology to help work faster, easier, and safer

Kit Includes:

- CWB-11 Cell Phone Wrist Band, 11"
- Padded EVA case, Ferret Pro camera, flexible gooseneck, short rod, strong hook and magnet, right angle adaptor, thread adaptors, USB-C charge cable, spare O-rings & instruction manual

Key Features:

- **NEW Ferret always up viewing mode** - In the Ferret App setting screen select to have the image view either normal mode or always up mode
- **NEW App controlled variable focus** - Focus down as close as 2.5" (6cm) to see fine detail. Focus out to infinity for extra clarity
- **NEW Super fast charge** - Charge Ferret from flat to 95% charged in only 1 hour
- Built-in WiFi hotspot, wireless & rechargeable - Provides a high-resolution live stream with a wireless range of up to 50' (15m)
- Inbuilt rechargeable battery
- IP67 dustproof & waterproof
- Free & easy to use App - Easy to use, intuitive Free Ferret App allows control over the camera

- 720p HD streaming - Crisp clear images with 720p high resolution provides real-time photos & video directly to a smart device
- Adjustable bright white LEDs - Easily glides into confined dark crawl spaces. Bright white LEDs help investigate, locate, diagnose & fix problems
- Digital zoom function - View objects closer with the Ferret App digital zoom
