

Short Description

The Ferret Plus, designed and engineered by Ferret Tools, features the world's first-ever non-contact voltage detector to help identify live cables from a greater reach than ever before. Based on the **award-winning** electronic design of the original Ferret, the Ferret Plus is perfect for someone who loves having the latest technology with all the bells & whistles. The new premium Ferret Plus is:

- The perfect solution for any electrician
- Engineered with new technology to bring you an App controlled variable focus lens, super-fast charge, Ferret always up viewing mode, and a right angle adaptor
- Comes with built-in (on board) memory providing the ability to record video even when out of WiFi range including inside metal ducts, underground or underwater
- It also comes with a built-in non-contact voltage detector to help detect live cables from a greater reach than ever before (for 150 Voltage or higher)
- Perfect for pulling in cabling inside enclosed spaces
- The most reliable and durable tools with the latest smart technology to help work faster, easier, and safer

Kit Includes:

- Cell Phone Wrist Band, 11"
- Padded EVA case, Ferret Plus camera, flexible gooseneck, short rod, strong hook and magnet, right angle adaptor, thread adaptors, USB-C charge cable, spare O-rings & instruction manual.

Key Features:

- **NEW Ferret always up viewing mode** - In the Ferret App setting screen select to have the image view either normal mode or always up mode
- **NEW App controlled variable focus** - Focus down as close as 2.5" (6cm) to see fine detail. Focus out to infinity for extra clarity
- **NEW Super fast charge** - Charge Ferret from flat to 95% charged in only 1 hour
- **NEW Built-in (on board) memory** - 8GB memory on-board, to provide many hours

of recording even when out of WiFi range

- **NEW Non-contact voltage detector** - The world's first non-contact voltage detector that's not limited by the reach of your arm (for 150 Voltage or higher)
- Built-in WiFi hotspot, wireless & rechargeable - Provides a high-resolution live stream with a wireless range of up to 50' (15m)
- Inbuilt rechargeable battery
- IP67 dustproof & waterproof
- Free & easy to use App - Easy to use, intuitive Free Ferret App allows control over the camera
- 720p HD streaming - Crisp clear images with 720p high resolution provides real-time photos & video directly to a smart device
- Adjustable bright white LEDs - Easily glides into confined dark crawl spaces. Bright white LEDs help investigate, locate, diagnose & fix problems
- Digital zoom function - View objects closer with the Ferret App digital zoom

Recommended For:

- Visual inspections
- Cable installations
- Detecting live cables from a greater reach
- Inspect for maintenance and repair work on the job or at home
- Recording photos and videos directly to your phone's photo gallery
- Recording video even when out of WiFi range including inside metal ducts, underground or underwater
