

Senci SC4000-II Generator

Product Images

Product Code: P57-2992

Short Description

The Senci SC4000-II is a powerful generator with a strong and rugged design. Weighing 50kg, it comes installed with a wheel kit and carry handle making it portable and easy to move.

The SC4000-II is ideal for users wanting something more powerful than the normal generator making it ideal for the building trade and other commercial uses. It's a reliable generator, with a max power of

3.8kW running up to 13.5 hours @ 50% load.

- Coupled with superior quality Senci alternator.
- Powered by easy-to-start Senci single cylinder gasoline engine.
- New air cleaner, small unique design, exhausted oil gas combusted in carburettor for the second time through a special-design pipe, free from oozing.
- Unique muffler with spark arrestor, lower noise and more environmentally friendly.
- Low oil alert shuts down engine automatically when low oil is detected.
- Circuit breaker cuts off electricity system when overloaded.
- AVR stabilizes the output power.
- Super strong original-designed fuel tank.
- Full closed control panel dustproof and water resistance.
- Portable compact safe aggressive appearance with open rugged durable frame, way to operate.
- Wheel kit supplied for easy maneuverability.
- Perfect performance with stable running up to 13.5 hours @ 50% load for home or commercial use.

Specifications

Model SC4000-II

Engine SC170FB (7.5HP)

Fuel Type Petrol

Starting System Electric Start

Displacement 223cc

Compression Ratio 8.3:1

Frequency 50Hz

Rated Power 3.3KW

Maximum Power 3.8KW

Sockets 1 x 115v 32a, 1 x 230v 16a

Fuel Capacity 15L

Run Time 13.5 Hours @ 50% Load

Noise Level 65dBA @ 7m

Dimensions 625 x 490 x 510mm

Weight 50kg
