# **Dust Suppression Water Bottle 14 Litre**

Product Images Product Code: S00-2738

## **Short Description**

The robust Dust Suppression Water Bottle is used for suppressing dust created during drilling, cutting

and grinding applications.

#### **Features**

- Worksafe® dust suppression tank with 14 litre working capacity.
- Effective at supressing dust while using cut-off saws, bench saws and floor saws in all working environments.
- Automatic pressure release valve stops pressure building higher than 3bar for optimum use. Before use 20 full pumps will allow for 1-1½ minutes of operation.
- Includes attached strap for easy transportation, a 3m hose with quick release coupling and a spare set of washers.
