
Sledge Hammer Shocksafe 10lb

10DFFGINS

[Product Images](#)

Product Code: J75-2772

Short Description

10lb / 4.5kg Double faced sledge hammer complete with 36" fibreglass shaft and manufactured to the exacting specifications of BS8020:2012, for live working.

Testing: BS8020:2011 is an exacting specification that demands full adherence to detailed manufacturing and testing procedures for safe working practices to be maintained by the user when working on or in close proximity to live conductor cables. Every single tool is flash detected to 10,000 Volts before the issue of a certificate, unique to each implement.

Manufacturer Part Code 10DFFGINS
