

Cabinet Base Sealant - Virgin Spec

2.5 Litres

Product Images

Product Code: S83-3122

Short Description

Two part sealant used to seal the base & ducts in Virgin Media's street cabinets.

For use in LV distribution cabinets, public lighting cabinets, cabinets for traffic control, and outdoor transformer station installations.

- Easy to use and accurate filling process when pouring the resin
- Seals the cable ducts against water & gas pressures
- Prevents ingress of moisture, pests and the intrusion of weeds, roots and plants
- Improves the climate inside the street cabinets and transformer stations
- Decrease's interference of the equipment
- Extends the life of the components
- Quick and easy to apply
- Good flow properties
- Self levelling characteristics
- Good adhesion
- Smooth and non-tacky surface

- Re-enterable, so new cables can be added

Specifications

Potlife (process time) 5°C - 30 minutes

Potlife (process time) 23°C - 10 minutes

Potlife (process time) 35°C - 7 minutes

Gel-time - 23 minutes

Viscosity (mixture) 25°C - ca. 3 Pa.s

Density - 1.4g / cm³

Hardness - 52 Shore D

Tensile strength - 4N / mm²

Water absorption (30d/23°C) - < 1.0%

Weight loss 28d/120°C - 0.8%

Surface structure cured under water - No bubbles
