

Spider Pod Power Splitter 110V

Product Images

Product Code: P44-2855

Short Description

Featuring 3 x 16A, 110V, multi directional sockets fixed onto a rubber cable. Providing great performance in the toughest of conditions, it uses lightweight nylon that is built to withstand high impact. Easy to transport and store, it's an exceptional product for the best performance in the real world.

- Lightweight and portable for easy transport and storage
- Tough nylon plastic, suitable for use in tough conditions
- Allows three different 16A tools to be connected at one time
- IP44 rating to ensure users are kept safe in dusty environments
- Rubber cable to ensure maximum electrical safety

Specification

- Outlets - 3 x16A
- Ingress rating - IP44
- Standard - BSEN 5733
- Weight - 1KG
- Dimensions - 710 x 640 x 70
- Supplied with 16A 110V plug and 1.5mm cable
