

# Mills Cobra Rod Replacement 4.5mm x 100m

**Product Images**

**Product Code: S00-3586**

## Short Description

---

The Mills Cobra Continuous Rodding System represents a faster and more economical solution to screw together duct rods. Available in standard diameters from 4.5mm to 14mm and a range of lengths from 60 to 500m.

The conduit rods utilise high quality reinforced fibreglass rod with radically reinforced construction and high tensile strength, ensuring on-going reliability and performance.

Diameter: 4.5mm

Length: 100m

Weight: 3.8kg
