Product Images

Product Code: C92-3595

Short Description

Compatible with a wide range of Brother's P-touch printers, this laminated TZe-S641 labelling tape cassette is especially versatile thanks to its easy-to-read black on yellow colour – so it comes in useful around the home, office and in other workplaces.

Suitable for use in Internal, External Overhead and Underground fibre identification.

Key Features

- 18mm wide, 8m long
- High quality genuine Brother cassette
- Ensure durable, easily readable results

This genuine Brother TZe-S641 labelling tape cassette is guaranteed to provide you with crisp, sharp and easily readable labels that last.

The special strong adhesive offers more sticking power to ensure your label stays attached on rough or uneven surfaces.

Equally handy in the home, office or workplace, this laminated black on yellow TZe-S641 labelling tape can be used to identify the contents of everything from file folders and shelves to USB flash drives, as well as cables and other equipment.

These self-adhesive laminated labels have been developed to withstand extremes of temperatures, and are resistant to chemicals, abrasion, sunlight and submersion in water, making them suitable for both indoor and outdoor use.

TZe tape cassettes are quick and easy to install, and come in various label widths, colours and materials - ensuring your P-touch machine meets all your labelling needs.
