

Anchor Drive Rod Removers

Product Images

Product Code: S83-3814

Short Description

Rod Removers are used to assist with the removal of the S83-1897 Drive Rods after installation of an anchor.

The unique shape of the set allows for easy removal in difficult ground conditions where removal by hand may be impossible.

These tools can be used by 1 person or 2 people depending on the force required and are a lightweight removal solution.

Supplied in pairs.
