

Bosch GSB18V-55 Combi Drill Driver with 2 x 2Ah Batteries

Product Images

Product Code: P09-4106

Short Description

Tough and powerful – the cordless GSB 18V-55 Professional drill driver with brushless motor is the ideal starter tool in Bosch's 18 V category.

With a high performance of 55 Nm and 1,750 RPM, it easily maximises efficiency on the jobsite, especially for work in wood, metal, and masonry. Its robust 13-mm Roehm metal chuck delivers an ideal power transfer for the widest range of drilling, impact drilling, and screwdriving applications.

The drill driver's brushless motor ensures an extensive tool lifetime and longer battery runtimes. It is suitable for drilling and impact drilling in wood (up to 35 mm), steel (up to 13 mm), and masonry (up to 10 mm) as well as for screw diameters of up to 10 mm.

It is compatible with all Bosch Professional 18 V batteries, including ProCORE18V batteries and chargers (Professional 18V System). The GSB 18V-55 Professional also features 2-gear, Autolock, Electronic Cell Protection, Electronic Motor Protection, LED light, Li-ion, metal chuck, metal gears, and right-left-rotation.

Technical Data

Torque (soft/hard/max.) 28/55/- Nm

No-load speed (1st gear / 2nd gear) 0 – 460 / 0 – 1,800 rpm

Battery type Lithium-ion

Chuck capacity, min./max. 1.5 / 13 mm

Weight excl. battery 1.1 kg

Torque settings 20+2

Charging time (80%/100%) approx. 24/35 min [2.0 Ah]

Drilling diameter

Max. drilling diameter in wood 35 mm

Max. drilling diameter in steel 13 mm

Max. drilling diameter in masonry 13 mm

Screw diameter

Max. screw diameter 10 mm

Supplied with

- 2 x battery GBA 18V 2.0Ah
- Quick charger GAL 18V-40 Professional
- L-BOXX
