
Split Swept Tee 96.5mm OD to 53.9mm OD Green

Product Images

Product Code: S83-4516

Short Description

Split swept tee for use with PVC duct system, tees off at 45 degrees from a 96.5mm OD / 90mm ID duct to a 53.9mm OD / 50mm ID swept exit. Hinged for retrospective fitting.

- Manufactured from polypropylene = 100% reliable performance.
- Duct Systems are manufactured to Industry Standard BSEN 61386.
- Solid wall construction, capable of being back-filled with "As Dug" materials where appropriate and not affected by sharp stone impingement.
- Smooth bore ensuring easier and safer installation of sub-ducts and cables owing to lower internal friction.

Colour: Green

SKU 10007580
