

Ripley Miller MB02 Slitting Tool for COF800 432f

Product Images

Product Code: E00-5086

Short Description

The ergonomic and multi-purpose Ripley Miller® MB02-7000 is a precision slitter designed to perform

accurate ring and longitudinal cuts on compatible cables such as COF 800, Fujikura's 432f fibre optic ribbon cable.

The tool features a modular tray design that provides quick midspan and end stripping performance.

Comprising:

MB02-7000 All Purpose Cable Slitter Tool Only with Pouch

MB02-7-1195315 Cable Tray Set – COF800 432f

Features

- Equipped with spring-loaded design that provides quick & easy slitting & ringing performance
- Safe, compact & ergonomic design fits comfortably in hand for easy operation without risk of injury
- No adjustments needed on fixed, factory set & rugged, precision ground tool steel blades
- Convenient carrying pouch included
- Approved by Openreach

Ref 108234
