
Double Socket Connector PVC Green for 96.5mm OD Duct - Pack Of 50

[Product Images](#)

Product Code: S83-5037

Short Description

PVC Double Socket Connector for 96.5mm OD / 90mm ID Duct.

- Duct Systems are manufactured to Industry Standard BSEN 61386.
- Solid wall construction, capable of being back-filled with "As Dug" materials where appropriate and not affected by sharp stone impingement.
- Smooth bore ensuring easier and safer installation of sub-ducts and cables owing to lower internal friction.

Pack Of 50

Colour: Green
