

Prysmian CTB MK3 Compact Termination Box 4 Fibre

Product Images

Product Code: XCPSC02857

Short Description

Prysmian CTB MK3 equipped with four pigtails 900 microns G.657.A2 and four SC/APC-SC/APC inner-shuttered adapters.

The Compact Termination Box MK3 (CTB MK3) is designed for use in residential and business applications for the termination of up to four optical fibres. The wall box enables the termination of a customer drop cable onto SC/APC type pigtails and adapters.

The unit is supplied with a fixing bracket for mounting directly onto a wall or onto a DIN rail. The unit can be supplied with pigtails and adapters pre-installed, and can also be supplied on a reel with a length of cable pre-installed.

Pigtails supplied are G.657.A2 fibre (others available on request) and adapters are fitted with a protection shutter.

Please see datasheet for further details.
