

# JSP Surefit Thermal Safety Helmet Liner Large / XL

## Product Images

Product Code: S26-0138

## Short Description

The SureFit™ Thermal Helmet Liner prevents workers from wearing incompatible and dangerous

alternatives such as hoodies underneath their helmets in the winter. It provides all day comfort and warmth.

### **Thermal insulation**

The SureFit™ Thermal Helmet Liner provides the wearer with warmth and protection from cold environments. The deep edges are designed to cover the entire ear.

### **Comfort**

The stretchy material provides a nice tight fit for minimal interference and maximum comfort and warmth.

### **Convenient & Hygienic**

The SureFit™ Thermal Helmet Liner is lightweight for all day comfort and is also machine washable at 30°C for hygiene purposes.

Size: Large / XL

Weight: 40g
