

JSP Surefit Thermal Safety Helmet Liner Large / XL

Product Images

Product Code: S26-0138

Short Description

The SureFit™ Thermal Helmet Liner prevents workers from wearing incompatible and dangerous

alternatives such as hoodies underneath their helmets in the winter. It provides all day comfort and warmth.

Thermal insulation

The SureFit™ Thermal Helmet Liner provides the wearer with warmth and protection from cold environments. The deep edges are designed to cover the entire ear.

Comfort

The stretchy material provides a nice tight fit for minimal interference and maximum comfort and warmth.

Convenient & Hygienic

The SureFit™ Thermal Helmet Liner is lightweight for all day comfort and is also machine washable at 30°C for hygiene purposes.

Size: Large / XL

Weight: 40g
