

LastMile VRK Armadillo Fibre Blowing Compressor

Product Images

Product Code: S00-3791

Short Description

The Lastmile VRK20 is a portable compressor designed for cable blowing. With safety and efficiency in

mind, it is designed to meet the requirements for cable blowing installations.

Features

- Built in aftercooler
- Automatic optimum air flow delivery - the unit will automatically adjust the air flow to optimum volume, this reduces stress on the engine and improves fuel efficiency
- Max operating pressure 15bar / 218psi
- Working Pressure 13Bar / 188psi
- Free air delivery 1000L/min / 35cfm
- Minimum working pressure 5.5bar / 80psi
- Drive system engine-air end, belt drive XP2 over dimensioned
- Compressor cooling system Air/Oil
- Oil cooling capacity 5 litres / 1.33 gallons
- Air outlet temperature 20C + Ambient temperature
- Hose Diameter 3/4"
- Outlet connector Claw
- Noise level EECno 2000/14 <98 LWA
- Battery 12Vcc 300A-30Ah (EN)
- Fuel tank capacity 15L / 4 gallons
- Weight 240K

Please see the specification sheet for further details

Description

The Lastmile VRK20 is a portable compressor designed for cable blowing. With safety and efficiency in mind, it is designed to meet the requirements for cable blowing installations.

Features

Built in aftercooler

Automatic optimum air flow delivery - the unit will automatically adjust the air flow to optimum volume, this reduces stress on the engine and improves fuel efficiency

Max operating pressure 15bar / 218psi

Working Pressure 13Bar / 188psi

Free air delivery 1000L/min / 35cfm

Minimum working pressure 5.5bar / 80psi

Drive system engine-air end, belt drive XP2 over dimensioned

Compressor cooling system Air/Oil

Oil cooling capacity 5 litres / 1.33 gallons

Air outlet temperature 20C + Ambient temperature

Hose Diameter 3/4"

Outlet connector Claw

Noise level EECno 2000/14 <98 LWA

Battery 12Vcc 300A-30Ah (EN)

Fuel tank capacity 15L / 4 gallons

Weight 240K

Please see the specification sheet for further details
