

Martindale TAG4 Lock Out Kit Replacement Tags

Product Images

Product Code: C70-7324

Short Description

These 80 x 140mm durable, laminated safety tags give a highly visible warning to others that an engineer has isolated and locked off a circuit or equipment for safety and extreme caution should be observed.

The tag carries critical information about the user, as well as an expected completion time.

Often secured using a padlock through the brass eyelet. Supplied in packs of 10, these tags are a must for any user practising safe isolation procedures.
