

Stanley Sort Master Organiser Twin Pack

Product Images

Product Code: B70-0060

Short Description

The STANLEY Sort Master™ Organiser is ideal for storing a variety of items from hammers, angled tools

or tape measurers to small parts and accessories. The unique corners have been designed to accommodate for angled tools such as hammers.

The organiser features up to 1024 configurations for all your storage needs. Removable dividers can be re-arranged, depending on requirements. The lid structure prevents movement of small parts from one compartment to another.

Made from durable plastic, the see-through lid provides easy location of desired items. Side clips allow multiple units to be stacked together.

FEATURES:

- Unique 90° compartments provide easy storage
- Customisable dividers allow combination of tools and small parts storage
- Lid structure prevents movement of small parts from one compartment to another
- Top lid lock keeps content secure inside
- Highly customisable up to 1024 configurations
- Side clips allow multiple organisers to be clipped together
- Unique angled corners accommodate angled tools such as hammers

Dimensions: 431 x 333 x 88mm each

Supplied in a pack of two.
