

HellermannTyton TT431 Thermal Transfer Printer

Product Images

Product Code: C71-0420

Short Description

The TT431 thermal transfer printer is perfect for printing on HellermannTyton materials such as self-

adhesive labels, shrinkable tubing and TipTag identification tags. Thanks to its low weight and compact construction, the TT431 integrates seamlessly into any workstation. It is easy to use due to its intuitive colour LCD touch display and clear status messages which can be shown in multiple languages.

Software for this printer is available under our part number C71-0421...see this product for more detail.

The optional cutter and perforator make this printer ideal for a wide range of applications. 300 dpi resolution ensures that barcodes, warning symbols, logos and text are as sharp as they can be.

Features

- Small to medium volume single sided printing
- Print on HellermannTyton cable markers and labels
- Uses standard ribbons
- Barcodes: standard and 2D
- Print speed up to 150 mm/s
- Adjustable label sensor
- Multiple language selection
