

Professional Tripod for F.I.G. Fibre Blowing Gun

Product Images

Product Code: F19-1101

Short Description

A professional grade lightweight tripod for use with the F.I.G Fibre Blowing Gun and the Fremco Nanoflow Max Fibre Blowing Machine providing a stable footing with height variable from 30.5mm to 160.50mm.

The tripod has 3 stage legs which can be adjusted into 4 angle positions to provide maximum versatility and benefits from fluorescent decals on each leg for visibility and a chain and hook to allow it to be weighted with a S00-6725 5kg traffic bag (not included)

- Lightweight and portable tripod
- Durable aluminium leg locks
- Comes with it's own shoulder bag for ultimate portability
- Premium Italian design

- 4 leg angles for great versatility

Specifications
