

HellermannTyton CHG900 Cordless Gas Heat Gun

Product Images

Product Code: R02-1981

Short Description

The HellermannTyton CHG900 Cordless Heat Gun is powered by P445 gas cartridges (Butane, Propane, Propene), providing autonomous working of 90 minutes in one go.

The tool is designed to produce flameless heat making it the ideal hot-air gun to apply a huge variety of heat shrink tubing and heat shrink wire markers as well as molded shapes or heat shrink boots, transition shapes, end caps and cable repair sleeves especially in harsh outdoor conditions covering freezing temperatures as low as -8°C .

The HellermannTyton CHG900 Cordless Heat Gun is a multipurpose tool suitable for many different tradespeople jobs such as: Shrink-wrap small packages, conduct roofing repair jobs, repair truck trailer tarp, strip and dry paints and varnishes, defrost pipes, locks, nuts and bolts, heat zinc without breaking it, shape PVC pipes, weld PVC covers, unjam corroded nuts and bolts etc.

Supplied with 2 nozzles and gas cartridge.
