Mills Engineers Tool Case

Product Images

Product Code: B72-6996

Short Description

The Mills Engineers Tool Case is ideal for the technician on the move, featuring 50 pockets and holders including fold out panels for easy tool access, a separate padded central compartment for your laptop, and a heavy duty rubberised base.

The tool bag is made from rugged hard-wearing polyester fabric with heavy duty fasteners and zips. The handle and shoulder strap are padded for extra comfort.

An internal document pocket keeps your important paperwork clean and safe. The rubberised base is essential for outdoor use or where the floor is likely to be wet or very dirty.

Features

50 pockets and holders including fold out panels for easy tool access

Internal document pockets

100% waterproof and crackproof rubberised base

Padded handle and shoulder strap for maximum comfort

Padded central compartment designed to fit your laptop

Dimensions: 460 x 420 x 210mm

Formerly B72-6994
