

Ripley Miller CFS-2 2 Hole Fibre Optic Stripper

Product Images

Product Code: E00-0985

Short Description

Two hole design efficiently strips away the coating from the 125 micron bare fibre in one compact tool.

All stripping surfaces are quality manufactured to precise tolerances to ensure clean, smooth strips with every use

Factory set blade notches require no adjustment & will not scratch or nick the fibre.

Compliant thermoplastic elastomer handle grips are ergonomically designed to fit comfortably in either hand, reducing the risk of injury from the repetitive stripping function.

First hole - 1.6 - 3 mm Jacket → 600 - 900 µm Tight Buffer

Second Hole - 250 µm Buffer Coating → 125 µm Bare Fibre

Length 165 mm

Weight 119 g
