

CONTRACTOR Utility Retractable Tape Measure 5m/16ft

Product Images

Product Code: E22-6373

Short Description

The CONTRACTOR 5m/16ft Retractable Tape Measure is a heavy duty 25mm width tape with positive

blade lock and strong belt clip.

It has a rubberised case capable of withstanding most harsh working applications. The yellow dual scale blade measures cm/mm as well as $\frac{1}{4}$ "/1/16", and has a 3 rivet 10mm deep hook for securing to a work piece during measurement.

A wrist strap is provided as standard for security, during measurement

Ref: 126636 126575
