

Contractor's Umbrella with Detachable Side Skirt

Product Images

Product Code: S00-6718

Short Description

Invaluable whilst carrying out telecommunications work in all weather, this work umbrella allows easy temporary shade or cover whilst working in difficult situations.

The canopy can be tilted in any direction for shading. A curtain is included with zip fastening and 2 x windows on the side panels.

Included: 1 x Storage bag, 3 x pegs and ropes.

Dimensions:

- Internal height to lower ribs - 180cm (6ft)

2 - Walk in height - without curtain - 169cm (5.5ft)

- with curtain - 142cm (4.6ft)
- Canopy point to point - 206cm
- Canopy flat to flat - 193cm
- Packed - 24 x 33 x 155cm

Standard Specifications:

- Weight - 3kg
- Waterproof taped seams & Flame Retardant R
- PU coated 230D material
- Fibreglass non-conductive ribs 8mm diameter - reduces canopy flexing and prevents corrosion.
- Aluminium alloy pole
- Canopy tilting - easy angling and 360 degree rotation
- Zip around curtain with window panels x 2 (28cm x 42cm)
- Telescopic centre pole
- Metal spike - 3 point -14cm
- 3x open panels
- 6x D Rings
