# JSP TH3P R SL Filters for the PowerCap® Infinity® PAPR - Pair

Product Images

Product Code: S26-1047

---

## Short Description

---

Pair of replacement filters for PowerCap® Infinity®. Filters should be checked, maintained and replaced regularly to ensure the unit performs correctly. The length of a filters life depends on working application.

### About the filters

These filters are high efficiency particulate types supplied in pairs.  
They will filter most particulate matter such as dust, spores, mist and fumes.  
They will not filter gases, vapours or toxic substances

Only use genuine PowerCap® Infinity® filters supplied in pairs from JSP Ltd or its distributors. Always replace both filters simultaneously. NEVER use compressed air on the filters. This will seriously limit protection.

PowerCap® Infinity® delivers TH3 protection with a Nominal Protection Factor of 500 (UK APF 40). TH3 is the highest possible rating in the EN 12941:1998 + A2:2008 standard.
