

# Jonard MDS-100 Microduct Sheath Slitting Tool

## Product Images

Product Code: E00-0114

## Short Description

Designed with slim safety heads and high carbon steel blades, this microduct sheath slitting tool is perfect for slitting the sheaths off microduct bundles to access the microducts inside.

#### Features:

Unique slim head design gets in between microducts easily while preventing accidental nicks and cuts  
High carbon steel blade slices through microduct sheaths with ease  
Thick handle for improved ergonomics and secure grip  
Large loop for storing on a belt, karabiner, or key ring
