

# Bosch Expert Power Change Plus Holesaw Arbor with 7.15mm Pilot Drill

Product Images

Product Code: P09-0801

## Short Description

---

For Metal pipes and profiles / Plastics / Wood with metal / Drywall

Hole saws are a great accessory, but attaching them to your drill was always a fiddly job to do accurately. This costs professionals time and money.

With the EXPERT Power Change Plus, you can switch hole saws in seconds thanks to Bosch's clever one click arbor.

The Bosch EXPERT Power Change Plus Hole Saw System is designed to give hole saw users the best connection with the maximum efficiency. It will save you time and perform the roughest tasks to a high standard.

### Features

- High Speed Changing Hole Saws and Drill Bits
- Enjoy maximum efficiency with one of Bosch's Quick Change systems.
- Takes a full range of hole saws.
- For use with the Bosch Power Change Plus keyless arbor: offering accuracy and robustness.

Supplied with HSS-G Pilot Drill 7.15 x 105 mm
