

# Martindale PL13 Appliance Plug Lock Off Device

Product Images

Product Code: C70-2020

Padlock and tag not included

## Short Description

The PL13 has been designed for UK BS1363 13A mains plugs.

Plastic in construction and simple design will prevent any UK, 13A appliance from being plugged into a socket.

Typical uses are after a failed PAT test and ensures hazardous or faulty equipment cannot be used.

Padlock and tag not included.
