

Asphalt Release Agent & Tool Cleaner - 25 Litre

Product Images

Product Code: S00-0033

Short Description

T-99 is a safe, economical and cost effective alternative to using diesel which due to recent legislation, does not provide an environmentally friendly option.

It is an ideal and long lasting solution that prevents build-up of bitumen on plant, equipment and work tools and it only has a minimal effect on the properties of bitumen material. Amounts used are negligible.

It is 100% environmentally friendly, fully bio-degradable, non-toxic and is not classified as dangerous.

Supplied in a 25 litre container.

Also available in a 1 litre container.
