LowPro 15/10 Trench Cover

1500mm x 1000mm

Product Images

Product Code: S83-0202

Short Description

The LowPro 15/10 Trench Cover uses the patented LowPro® technology and is a suitable driveway board for 3.5 tonnes vehicles over a 900mm trench.

Features

- Award-winning, 2 person-lift Driveway Board which Can be easily installed, transported and stored
- Complies with HAUC's 2018/01 Advice Note & DDA compliant
- Suitable for 3.5T vehicles over a 900mm trench & pedestrians over a 1200mm trench
- LowPro® trench cover edges are anti-slide, and bolting is not required in most applications, they are moulded around the whole board, creating a durable protective barrier for the trench cover
- Make footpaths, corridors and worksites completely accessible by using the Infill strips and LowPro® Ramps
- Anti-slip surface & shock resistant
- Reduce CO2 emissions with lighter transport compared to steel plates

Length: 1500mm

Width: 1000mm

Height: 37mm

Weight: 38kg

Description

The LowPro 15/10 Trench Cover uses the patented LowPro® technology and is a suitable driveway board for 3.5 tonnes vehicles over a 900mm trench.

Features

Award-winning, 2 person-lift Driveway Board which Can be easily installed, transported and stored

Complies with HAUC's 2018/01 Advice Note & DDA compliant

Suitable for 3.5T vehicles over a 900mm trench & pedestrians over a 1200mm trench

LowPro® trench cover edges are anti-slide, and bolting is not required in most applications, they are moulded around the whole board, creating a durable protective barrier for the trench cover

Make footpaths, corridors and worksites completely accessible by using the Infill strips and LowPro® Ramps

Anti-slip surface & shock resistant

Reduce CO2 emissions with lighter transport compared to steel plates

Length: 1500mm

Width: 1000mm

Height: 37mm

Weight: 38kg
