

Rothenberger Standard U-Gauge Manometer 60mb

Product Images

Product Code: S00-7381

Short Description

New and improved, made from durable plastics, used for tightness testing of gas pipework and also for checking and setting domestic and commercial appliances to the correct gas pressure.

Includes hook and loop strip for hanging option to keep U-gauge at eye level for ease of reading, magnetic strip allowing gauge to be supported on boiler cabinet casing during use, scratch resistant clear facing.

24" long and reads up to 60mb (milibar)

To be used in conjunction with rubber hose and a gas pressure test kit.
