

Mills MasterClass 'Grip n Strip' ULW Drop Fibre Stripper

Product Images

Product Code: E00-3300

Short Description

The Mills 'Grip n Strip' is an ergonomically designed low cost longitudinal fibre sheath stripper utilising a cutting wheel design that gives over 700 one metre strips.

As the name suggests, the 'Grip n Strip' easily fits into the hand and once clamped around the cable, gives perfect and effortless strips every time.

The precisely calibrated cutting wheels are factory set guaranteeing no damage to the fibre.

Replacement cartridges are available separately

Designed for use on 7mm Ultra Lightweight Cable (24, 36, 48 and 96 ULW) and has yellow/black alignment markings to prevent the operator cutting into the strength members.

Dimensions: Length 84mm with a handle width of 100mm

Replacement Cartridge: Part number E00- 3301

Mills MasterClass

This is a Mills MasterClass product and therefore benefits from the Mills MasterClass Lifetime Guarantee.

MasterClass comprises a complete range of high quality tooling which has been developed to meet the needs of the more discerning telecoms, datacomms, installation and maintenance engineer.

Every item in the MasterClass range has been carefully considered for its purpose, ease of use, grip and appearance to provide tooling and equipment of the very highest calibre.

In fact, the products are manufactured and designed to such a high standard that Mills supply a Lifetime Guarantee with each product, whereby should the product break under normal use it will be immediately replaced. For full details on the MasterClass Lifetime Guarantee, click [here](#)
