SACS SWA Cable Preparation Tool

Product Images   **Product Code: E00-0128**

Short Description

The SACS Tool - Steel Wire Armoured Cable Stripping Tool is a revolutionary new tool designed to strip SWA cable safely and up to 50% quicker than conventional stripping methods.

Features

- Fast – 50% Quicker than Traditional Methods
- Easy – No Hacksaw, NO Knife, Perfect Cut Every Time
- Safe – No Blades, Complies with on-site Health & Safety Regulations.
- Strong & durable robust metal alloy body to withstand repeated use.
- High performance hardened steel alloy cutting wheel – for a perfect & clean cut every

time.
- Multi-directional cut – cuts both longitudinally and circumferentially.
- Lightweight, compact & ergonomic design to be used in Confined Spaces.
- Tethering hole for lanyard to be used at heights without risk.
- Wide stripping capacity: 12-36mm diameter.

Description

The SACS Tool - Steel Wire Armoured Cable Stripping Tool is a revolutionary new tool designed to strip SWA cable safely and up to 50% quicker than conventional stripping methods.
