

Jonard DBC-1224 Bellhanger Drill Bit for Wood & Masonry 12.7 x 600mm

Product Images

Product Code: N36-1200

Short Description

Designed to drill through wood and masonry walls for installing computer, security, phone, and cable small wire systems, this combination bellhanger drill bit eliminates the need to carry multiple drill bits with you, perfect for any installer.

Features

- Aggressive tip drills through wood, masonry, and other similar materials with ease
- Holes on the bit head and chuck allow for pulling of wires after drilling
- 24" length for even greater reach than standard drill bits
- Black oxide coated shaft and powder coated blue for greater rigidity, durability, and rust resistance

Diameter: 12.7mm / 1/2"

Length: 600mm / 24"
