
Olive puller 15/22mm

Product Images

Product Code: R99-0774

Short Description

The Faithfull Olive Puller makes easy work of removing compression-fitting olives without damaging the pipe. It has a durable solid brass construction with a zinc-plated tommy bar.

Insert the puller into the pipe, screw the pipe's compression nut onto the olive puller's thread and turn the tommy bar clockwise to pull the olive free.

Fits 15mm and 22mm diameter pipes.
