

DeWalt DCE531N XR Concrete Vibrating Poker 18V

Product Images

Product Code: P06-0750

Short Description

The 18V XR concrete vibrator gives you the power and runtime you need to consolidate concrete. The 28.6mm diameter vibrator and 14,000 VPM (under load) deliver maximum consolidation power and efficiency. The 1.2m long flexible shaft provides ease of use and long reach.

Features

Vibrating poker removes air from concrete forms to strengthen concrete and improve consistency of mix

Light and compact, suitable for single person operation

Tool-free locking nut allows easy removal of shaft for transportation

Sealed motor and drive shaft for improved durability
