
Replacement UPC Swap Out Connector for EXFO MAX-730D

Product Images

Product Code: C00-0210

APC model shown

Short Description

Replacement UPC Swap Out Connector for Exfo 730D.

The MaxTester 700D OTDR Series comes with a Swap-Out connector which can easily be changed, as and when needed, without having to send the test unit to a service centre.

This ensures optimal performance over time without undue maintenance costs and downtime.

The OTDR's optical connector health can be checked with an onboard diagnostic tool to replace the connector only when necessary.

Description

Replacement APC Swap Out Connector for Exfo 730D.

The MaxTester 700D OTDR Series comes with a Swap-Out connector which can easily be changed, as and when needed, without having to send the test unit to a service centre.

This ensures optimal performance over time without undue maintenance costs and downtime.

The OTDR's optical connector health can be checked with an onboard diagnostic tool to replace the connector only when necessary.
