

# EnduraFrame 1500 Quickfit Frame

## Product Images

Product Code: S00-5052

## Short Description

---

The EnduraFrame 1500 is a plastic quickfit mini sign frame that is compatible with standard 300mm centre EnduraSign quickfit sign faces.

### Premium Strength

Made of hard-wearing plastic, the sign frame is resistant to cracking

### QuickFit Sign Frame

The 8 antiluce drop locks are compatible with 300mm drilled quick-fit sign faces

### Compact

Sign frames stack at an efficient 38mm to take up less space in works vehicles

### Lightweight

5kg sign frame reduces weight in works vehicles

### Wind-resistant frame

Download the technical guide, which explains how much ballast to use in Cat A, B and C winds

### Stable

The intelligent leg brace locks the frame upright once deployed so that it will not fall over easily

### Repairable

Rather than buy new single-piece signs, repair damaged reflective by simply replacing the sign face

### Customisable

Clearly label equipment and prevent theft with a corporate nameplate and custom-coloured frame

### Specifications

Height 1495mm

Width 600mm

Length 62mm

Weight 5kg

Colour Black
