

Mills MasterClass Ratchet Cable Cutter

Product Images

Product Code: E66-1259

Cuts up to 350mm copper, 500mm aluminum power cable.
Maximum capacity is 1-3/16" (32mm) dia. or up to 200 pair communications cable.

Instruction

1. Squeeze handles and then release closed lock.
2. Push the 'Open' plate downwards, and pull the moving blade upwards at a time.
3. Insert the cable that you desired to cut into the blades. Push the moving blade downwards until it fixes onto the fixing blade.
4. Squeeze the handles repeatedly until it cuts the cable.
5. During the cutting process, you may push the 'Open' plate downwards and then pull the moving blade upwards to stop the incorrect operation.
6. This tool is not for cutting STEEL or ASCR cable.

As good as it gets

Short Description

Ratchet action cable cutters, with precision ground cutting edges, for high leverage cutting, without

deformation of multi stranded Telco cables etc

Cuts up to 500MCM copper & 500MCM aluminium power cable.

Features:

Comfort grip handles for repetitive applications.

Handle locking mechanism for improved safety and easier storage.

Quick release blade mechanism for speedy blade reset.

Single speed ratchet for low operational force.

Heavy duty durable blade for extended product life..

Maximum capacity 13/16" or 32mm (Cable cross-section 804mm²)

Overall length 265mm,
