
Round Mouth Threaded BS8020 Shocksafe

Product Images

Product Code: S83-3312

Short Description

Used for excavating, digging and shovelling most aggregates.

Description

Used for excavating, digging and shovelling most aggregates. The pointed blade offers easier penetration in tougher ground.

Our entire BS8020:2011 insulated shovel range is treaded as standard. Integrated treads provide better grip, increased comfort and protection to the user's feet.

Tested and made in conformance with BS8020:2011. Tools for live working.
