### Cable Basket Description

Manufactured from high strength electro zinc plated steel wire, Vergokan steel basket is fast and easy to install using tool-less quick couplers to join lengths of basket.

Suitable for both data and power cabling, basket gives improved cable ventilation, reduced dust retention and easy cable identification.

Height 35mm.

### Cable Tray Description

Armorduct galvanised medium duty cable tray, supplied in different lengths.

Hot dipped galvanised sheet steel complies with BS 4678:Part 1: 1978.

Standard height 25mm.

**Cable trays and accessories are usually despatched by separate transport and are subject to an additional delivery charge.**
