

Stanley Digital Infrared Thermometer

Product Images

Product Code: C70-2510

Short Description

Easy to use, highly accurate infrared thermometer. Compact, rugged design for drop protection and ergonomic comfort. High contrast backlit display allows good visibility in all light conditions. An 8:1 spot ratio measures a 1ft circle from 2.5m away. Wide sensor range perfect for many trades where temperature needs to be measured, monitored or recorded,

such as window fitting, maintenance, electrical, data, HVAC and for inspection and testing.

- Infrared Contact
- Accurate to Celsius & Fahrenheit
- Temperature Range -38°C to 520°C
- Backlit Digital Display
- Real-Time Read-Out
- Auto Power Off in 1 Minute
- Safety Comfort-Grip
- 1 Year Guarantee
- Laser Guide

Specification

Batteries Supplied/Required 2 x AAA Batteries Supplied

Brand Stanley

Digital/Analogue Display Digital

Display Type Backlit Digital Display

Distance to Spot Ratio 8:1

Emissivity 0.95

Green star Saving energy at home

Green star Claim Use to assess the thermal efficiency of a building.

IP Rating IP20

Low Battery Indicator Low Battery Indicator

Manufacturer Guarantee 1 Year Guarantee

Maximum Temperature 520 °C

Measuring Accuracy ± 2 °C

Minimum Temperature -38 °C

Model No STHT0-77365

Pack Size 1

Pieces in Pack/Case 1

Product Depth 39 mm

Product Height 185 mm

Product Type Thermometer

Product Width 85 mm

Resolution 1 Decimal Place

Temperature Scale Type Celsius & Fahrenheit

Thermometers Product Type Infrared Non-Contact Digital Thermometer

Water Resistant Weather-Resistant

Specification

Batteries Supplied/Required	2 x AAA Batteries Supplied
Brand	Stanley
Digital/Analogue Display	Digital
Display Type	Backlit Digital Display
Distance to Spot Ratio	8:1
Emissivity	0.95
Green star	Saving energy at home
Green star Claim	Use to assess the thermal efficiency of a building.
IP Rating	IP20
Low Battery Indicator	Low Battery Indicator
Manufacturer Guarantee	1 Year Guarantee
Maximum Temperature	520 °C
Measuring Accuracy	±2 °C
Minimum Temperature	-38 °C
Pack Size	1
Pieces in Pack/Case	1
Product Depth	39 mm
Product Height	185 mm
Product Type	Thermometer
Product Width	85 mm
Resolution	1 Decimal Place

Temperature Scale Type	Celsius & Fahrenheit
Thermometers Product Type	Infrared Non-Contact Digital Thermometer
Water Resistant	Weather-Resistant
