

# Linian Clip Insertion Tool

## Product Images

Product Code: R02-1438

## Short Description

---

An easy and versatile way to install LINIAN Clips.

A specialist setting tool for the insertion of LINIAN cable clips from 0.9 to 6 mm. With one simple push you can be confident that the clip is fully installed holding the cable tight and secure in place. For LINIAN Nano Clips and FireClips under 6mm.

- Made in Britain
- UKCA
- Made of Thick Poly-Pro

Following LINIAN's pursue of being sustainable, polypropylene is recyclable. It can be separated from other plastic types, melted into a liquid, cooled, and turned into pellets, then used to form new plastics. However, polypropylene loses its strength and flexibility as it goes through the recycling process.

## Description
